

## Compare College Savings Choices

There are many choices for you to consider when charting your child's course to college. The option you choose depends on how many years you have to save, your overall financial goals and your investment preferences. With average college costs continually on the rise, there's no better time to open an account than now.

	Michigan Education Savings Program (MESP)	529 Plans General	Independent 529 Plan	529 State Prepaid Plans	Coverdell Education Savings Account (CESA or ESA)	Custodial Accounts (UGMA/UTMA)	Taxable Accounts	Traditional (Classic) IRA	Education Savings Bonds
Federal Tax Treatment	Earnings portion of withdrawals used to pay qualified education expenses are federal income tax free.	Earnings portion of withdrawals used to pay qualified education expenses are federal income tax-free.	Neither the account owner nor the beneficiary is subject to federal income tax if a Tuition Certificate is used to pay for tuition at a member institution.  Redemptions of tuition certificates for qualified tuition expenses are federal income tax-free.	Neither the account owner nor the beneficiary is subject to federal income tax if account is used to pay for tuition at a participating institution.	Distributions used to pay for qualified education expenses are federal income tax-free.  The law allowing for federal income tax-free qualified withdrawals is set to expire on December 31, 2010. Congress may or may not extend this law beyond that date.	First \$950 of earnings is federal income tax free.  Earnings between \$950 and \$1,900 are taxed at the child's rate. Earnings above \$1,900 for certain children through age 23 are taxed at the parents' rate.	Fully taxable	Federal income tax deductible (subject to income limits).  Earnings are federal income tax-free until withdrawal at age 59 1/2.  Penalty free withdrawals for qualified higher education expenses, but entire withdrawal taxed at owners tax rate.	Interest earned is federal income tax-free if used for qualified higher education expenses.  (Subject to income limits.)
State Tax Treatment	Michigan taxpayers are permitted a deduction on their Michigan income tax returns from adjusted gross income up to a maximum of \$5,000 for an individual filer and \$10,000 for joint filers for contributions made during the tax year to MESP accounts, less qualified withdrawals during such year, calculated on a per account basis. The amount of contributions less qualified withdrawals calculated for each such account cannot be less than zero. Rollovers from another qualified tuition program are not considered eligible contributions for purposes of the deduction. Non-qualified withdrawals by a taxpayer from an account may, under certain circumstances, be included in the taxpayer's taxable income for Michigan income tax purposes up to the amount of any contributions previously deducted.	Some states may offer different or additional tax incentives.  State income tax treatment is dependent on state tax law.	Please consult your own tax advisor as to the tax consequences applicable to your particular situation.	Some states may offer different or additional tax incentives.  State income tax treatment is dependent on state tax law.	No state tax deduction.	No state tax deduction.	State income tax treatment is dependent on state tax law. Annual gift tax exclusion of up to \$13,000 per individual donor per beneficiary.  A contribution in excess of annual gift tax exclusion amount up to \$65,000 can be prorated over 5 years and treated as a gift in each of those years.	Annual gift tax exclusion of up to \$13,000 per individual donor, per beneficiary.  The rule for contributions in excess of annual gift tax exclusion has no significance for regular contributions to Coverdell accounts because the \$2,000 maximum contribution is smaller than the annual gift tax exclusion.	Annual gift tax exclusion of up to \$13,000 per individual donor, per beneficiary.	N/A	N/A	Annual gift tax exclusion of up to \$13,000 per donor, per beneficiary.
<b>Contribution Limit</b>	No annual limit.  \$235,000 maximum account balance limit per beneficiary (total of all MESp accounts and amounts paid to Michigan Education Trust pre-paid program and match accounts).	No annual limit.  Maximum account balance limit per beneficiary may be as high as \$300,000+ for some plans.	No annual limit.  Maximum account balance limit per beneficiary is cost of 5 years full time tuition at the most expensive member college during the Program Year for a new born, which is \$209,650 for 2009-2010.	No annual limit.  Maximum varies by state.  Typical range is \$200,000 to \$300,000, which would cover up to 5 years of college costs.	Up to \$2,000 per year, per beneficiary (until beneficiary reaches age 18, unless he/she is a "special needs" beneficiary).  Not available to high-income families (\$220,000 joint - maximum MAGI, \$110,000 single - maximum MAGI)	Unlimited.	Unlimited.	2009 Limit:  Age 49 and below: \$5,000  Age 50 and above: \$6,000	Series EE bond limit of \$30,000 purchase price per year per person.  No limit on the amount of bonds that you can accumulate over a lifetime.
<b>Investment Risk</b>	Subject to market fluctuations.  Level of risk will depend upon underlying investment vehicle used.  It is possible that returns will be less than the rate of increase in higher education costs.  No one can predict returns. There is a risk that any investor could lose part or all of the value of his or her account.	Subject to market fluctuations.  Level of risk will depend upon underlying investment vehicle used.  It is possible that returns will be less than the rate of increase in higher education costs.  No one can predict returns. There is a risk that any investor could lose part or all of the value of his or her account.	Assets held in a qualified trust.  Participating institutions bear financial risk associated with advance payment of tuition.  However, if funds are not used for tuition, the return on a refund may be less than the amount that could have been received in another investment.  Refund amount is capped at a maximum return/loss of 2% per annum based on the performance of the Program Trust.	State agencies typically guarantee the benefit, but not in all cases.  Some state-sponsored prepaid plans have closed to new entrants.	Subject to market fluctuations.  Level of risk will depend upon underlying investment vehicle used.	Subject to market fluctuations.
